

Bitdeer Announces Up to \$150 Million Private Placement Financing

May 31, 2024

SINGAPORE, May 31, 2024 (GLOBE NEWSWIRE) -- Bitdeer Technologies Group (Nasdaq: BTDR) ("**Bitdeer**" or the "**Company**"), a world-leading technology company for blockchain and high-performance computing, today announced that it entered into a subscription agreement with Tether International Limited ("**Tether**") for the private placement of 18,587,360 Class A ordinary shares and a warrant to purchase up to 5,000,000 additional shares at \$10.00 per share. The closing of the private placement occurred on May 30, 2024.

The transaction generated \$100 million in gross proceeds from the share issuance and could provide an additional \$50 million if the warrant is fully exercised. The warrant is subject to customary anti-dilution provisions reflecting share dividends and splits or other similar transactions, and weighted average anti-dilution protection with respect to the issuance of ordinary shares or ordinary share equivalents for consideration per share less than the initial exercise price of the warrant. The warrant is exercisable at Tether's discretion within 12 months after closing.

Bitdeer intends to use the net proceeds from this private placement to fund its data center expansion, ASIC based mining rig development and for working capital and other general corporate purposes.
